

# Step up to the Plate!

In 2011, UCAMA commissioned an original piece of artwork from the Ukrainian artist Iryna Karpenko. The 6.5" x 13" plates she created will be given to UCAMA donors in three categories:

**Bronze (\$500 - \$999)   Copper (\$1000 - \$1499)   Gold (\$1500+)**

Each piece features the design created exclusively for UCAMA, printed or painted on glass. The artist then signs each piece prior to sealing the work with an application of bronze, copper or 23 karat gold leaf.

Funds raised from this campaign will go to support the construction of the future home of the Ukrainian Canadian Archives and Museum of Alberta in the historic Lodge Hotel on Jasper Avenue. The new facility will house exhibition galleries, an archive and library resource area, collection storage space, educational, meeting and special programming spaces, all open to the community at large. When completed, the new facility will preserve and interpret the rich history of the Ukrainian community in Alberta. With your support, we can achieve this vision together.

*Iryna Karpenko graduated from the Kyiv College of Industrial Arts and the National Academy of Fine Art and Architecture in Ukraine. Her exhibitions include a solo show at the Kyivo-Pecherska Lavra and representation in the permanent collections at the Tvorchist, Art-East and Neff Art Galleries in Kyiv. In addition, Iryna was awarded the Laureate title at the United Nations Fiftieth Anniversary Painting Competition, and Second Prize at the Ukrainian Poster Biennial Competition in Kyiv.*
