

# THE UCAMA \$125 INITIATIVE

Commemorating the 125<sup>th</sup> anniversary of Ukrainian immigration to Canada  
1891-2016

The Ukrainian Canadian Archives and Museum of Alberta (UCAMA) is building a new museum, archives and library facility on Edmonton's Jasper Avenue. The resulting structure will be a preeminent museum in Western Canada. UCAMA's current fund raising effort is tied to the 125th year of Ukrainian settlement in Canada, which is 2016-17. With your help we can reach our building project fundraising goals in 2016-17 in honour of this significant event.

If each of the 125,000 persons of Ukrainian origin in Edmonton alone were to give just one dollar for each year of the 125 years since Ukrainians first immigrated to Canada, UCAMA could raise \$15,625,000, enough to complete both phases of the museum construction and establish an endowment to operate the facility.

We have enormous strength in numbers. The will of people have raised great monuments around the world: the pyramids of Egypt, the great cathedrals of Europe. The Empire State Building was completed in just 410 days.

UCAMA is not asking for your sweat and blood; only a little money. Surely our collective heritage and pride is worth \$125 per person. Each donor will be recognized in a special memorial volume housed in the new facility. And the first 1,000 donors will also have their names placed on a brick in the new museum.

We have already come such a long way. The end is in sight. Help make it happen.
