Edmonton, AB T5H 1H3

Dear Khrystyna:

It gives me great pleasure to congratulate you and your team on receiving the 2009 Edmonton Urban Design Award for the restoration of the early twentieth century hotel on Jasper Avenue.

Since 2005, the Urban Design Awards have been an important effort to recognize the excellent architectural designs that exist in Edmonton. The movement to reclaim and preserve our heritage buildings is an important step in embracing and celebrating our culture. The work of the Ukrainian Canadian Archives & Museum has demonstrated how the museum community can contribute to urban design spaces and their role as part of the city's identity. Thank you for exemplifying museum potential and for striving for excellence.

We are honoured that one of our member museums was recognized by The City of Edmonton. The dedication and hard work demonstrated by you is a wonderful example of the contributions museums can make in Alberta.

Sincerely,
